Steve –

Attached is the original petition, and our initial preliminary response, and an email reminder from Advocates for the West in November 2016. Jim Werntz is the Idaho Operations office director, and JB please confirm, but I believe Tracie Nadeau is the Acting Oregon Ops Director.

Leigh or JB,

I don't know whether either of you is in today, but do either of you have a copy of the petition itself that you could forward along?

Thanks in advance,

Steve
